Translation

I seek the protection of Allah from the accursed Shayṭān. Allah, there is no god worthy of worship but He, the Ever Living, The Sustainer of all. Neither drowsiness overtakes Him nor sleep. To Him Alone belongs whatever is in the heavens and whatever is on the earth. Who is it that can intercede with Him except with His permission? He knows what is before them and what will be after them, and they encompass not a thing of His knowledge except for what He wills. His Kursī extends over the heavens and the earth, and their preservation does not tire Him. And He is the Most High, the Magnificent. (2:255)
